

The Canadian Foundation for Pharmacy is proud to announce:

Passion. Integrity. Leadership

In memory of Barbara Wells

In June 2010, the pharmacy profession lost an exceptional leader and beloved colleague with the passing of Barbara A. Wells (1954-2010). Inspired by her contribution to the profession of pharmacy, the Foundation has instituted this new award in an effort to continue her legacy by fostering personal leadership development in the pharmacy community.

This annual award will recognize both demonstrated and potential leadership in individuals in the pharmacy profession. The cash award will allow recipients to further develop personal leadership through study, experiential learning, or mentorship.

Applications for funding can be made to the Wellspring Committee. A call for applications will be made annually.

It is planned that awards (1 or more) may total up to \$10,000 per year (depending on funds raised).

Consideration is given to candidates who demonstrate the potential to contribute to the leadership in pharmacy now and in the future
